

As a coach you understand there are risks and dangers associated with the use of portable trap machine and firearms, including serious bodily injure, death, and property damage. As the AYSSP Coach, you agree to put safety first in connection with the shooting practice. The coach further agrees to store the trap machine in a safe and protective matter when not in use of AYSSP practice. Students or those unfamiliar with trap machine operation, will not be allowed to operate the trap machine at any time. By signing this agreement, you are also agreeing to make sure the trap machine returns clean and in good working order. If the trap machine is not returned upon the date that is agreed upon and are not in clean, working order you will be prohibited from using the machine in the future.
