# The Lifetime Resident Hunting and Fishing Sportsman's Permit

An Investment in the Future

## The Lifetime Resident Hunting and Fishing Sportsman's Permit... an investment in the future

Would you like to help ensure that Arkansas has a rich wildlife heritage for generations to come? You can, by supporting the Arkansas Game and Fish Commission's Lifetime Permit Fund. Money from sales of the Lifetime Hunting and Fishing Sportsman's Permit will be placed in this fund. Only the interest from this fund will be used and the program will play a major role in supporting wildlife conservation in our state.

Arkansas Game and Fish Commission offers the Lifetime Resident Sportsman's Permit that entitles the holder to hunt and sport fish in the state for the remainder of his or her life, without purchasing another state license. The \$1,000 cost will provide considerable savings to the holder and will help support outdoor conservation programs. The Lifetime Permit holder is exempt from purchasing any future Arkansas hunting or sport fishing permits or licenses established by the Commission. The permit remains valid if the holder moves to another state.

Permit holders are extended the privileges covered by the Resident Sportsman's License, Resident Fisheries Conservation License, State Duck Stamp, Resident Trout Permit and all Leased Land Permits. Permit holders may hunt open seasons or sport fish while abiding by applicable regulations. The Federal Duck Stamp and Harvest Information Program (HIP) registration are not included. Permit holders also will receive a lifetime subscription to *Arkansas Wildlife*, the Commission's magazine (including the calendar). Permit hunts on Wildlife Management Areas will require permit applications to be filled out. If drawn, the fee is waived. Just return your notification indicating your Lifetime Permit number and the actual WMA permit will be mailed to you.

Permit holders should carry a common form of identification, such as driver's license, and the Lifetime Permit when hunting or fishing. You are required to follow all regulations governing all hunters and fishermen in Arkansas.
