

This applies to AYSSP coaches and athletes only!

Fees for AYSSP teams engaged in practice sessions at the shooting range are \$2.00 per person per round.

Guidelines for Coaches:

- Operating hours are Monday-Saturday, 8 a.m.-4 p.m. by appointment only.
- Team practices only. Not individual coaches or students wanting to shoot.
- Call ahead for appointment, 870-983-2790.
- Payment for rounds will be accepted only from AYSSP coaches (students or parents may not pay for rounds).

The range officer will have AYSSP 20 gauge Beretta Shotguns on-site for you to check out.

Remember to respect the range, range officers and equipment!

Keeping the Natural State natural.

Rules and Hours of Operation

General Range Rules

- Persons bringing loaded firearms to the range will be barred from shooting for one business day and may be cited. According to Code 01-00-C, firearms are considered loaded if shells or cartridges are in the chamber, magazine or cylinder. Removable magazines and cylinders may be loaded as long as they are locked up separately from the firearm. Violators may be fined up to \$1,000.
- No firearms allowed inside any buildings without permission from Commission Staff.
- Shooters must register with the Range Officer before going to a firing station.
- Always keep muzzle pointed in a safe direction. Treat all guns as if they are loaded.
- Firearms must be unloaded with actions open until you are on your shooting station with the muzzle pointed downrange.
- Non-shooters must remain behind the shooting area.
- Guests are liable for damage they cause to Commission property.
- Shooters and guests are strictly prohibited from entering trap and skeet houses or attempting to service or refill trap, skeet, or sporting clay machines.
- Only one shell may be loaded at a time. Two shells may be loaded only if shooting doubles on the skeet range.
- Absolutely no drugs or alcoholic beverages are allowed. Persons who have been drinking and/or appear impaired will be barred from the range.
- Shooters are responsible for the conduct of their guests.
- Shooters and guests must obey all range commands of the range officer.
- Shooters must be accompanied by an individual who can operate the range controls.
- Shooters are responsible for cleaning litter, cartridge cases, etc. from around their shooting station.
- Young shooters must stay within an arm's reach of an adult while on the firing line.
- Ear and eye protection must be worn at all times on the firing line.
- Violation of any range rule will result in a loss of shooting privileges.
- Each shooter must provide their own gun and shells.
