

Instructions for Submitting a Deer for CWD Sampling

Step 1

Remove antlers if present.
Cut neck 4-6 inches below head.

Step 2

Place head in the bag provided and knot.

Step 3

Fill out ALL information on the top and bottom of the sample tag.

Step 4

Attach top to bag.
Tear off.
Keep bottom receipt.

Step 5

Attach tag with the provided zip-tie to the garbage bag.

Step 6

Place bag in the CWD testing drop-off container.

Go to agfc.com/cwd or scan the QR code to get your results, using your game check number. Additional supplies or questions: 877-482-9262.
